FOOD SCRAPS GO IN THE GREEN FOGO BIN

About 36% of red bin waste is FOGO, compostable packaging, and pet waste.

Collect compostable material including food scraps, tissues, hair, and nail clippings in your kitchen caddy, then place them in the green FOGO bin (no plastic bags).

Council provides a kitchen caddy and yearly supply of compostable bags.

WHAT IS IN A TYPICAL RED LANDFILL BIN?

Currently only 51% of the contents of the average red landfill bin should actually be in the red bin. 36% are compostable materials that can go in the green FOGO bin.

Bin audit results from the Weekly Green FOGO Bin trial area, June 2023.

DON'T KNOW WHICH BIN?
